Board of Directors
Chasewood Property Owners Association
c/o Investment Management Company
3500 West Davis, Suite 190
Conroe, Texas 77304

RE: *Corporate Matters*

Dear Board of Directors:

Enclosed please find the original of the following instrument:

- **BYLAWS (AMENDED AND RESTATED AUGUST 2021)**, recorded on September 20, 2021 under Clerk's File No. **2021-130447**, Official Public Records, Montgomery County, Texas; and
- **ARCHITECTURAL CONTROL GUIDELINES AND REGULATIONS**, recorded on September 20, 2021 under Clerk's File No. **2021-130449**, Official Public Records, Montgomery County, Texas.

Please place these instruments in the Association's permanent file; we have retained copies of the instruments for our records.

Thank you for your attention to this matter.

Sincerely yours,

THE FOWLER LAW FIRM

Jacquie Schwarz
Legal Assistant

:jks

Enclosure(s): As stated

**CORPORATE CERTIFICATE
CHASEWOOD PROPERTY OWNERS ASSOCIATION**

The undersigned certifies that he is the Attorney for CHASEWOOD PROPERTY OWNERS ASSOCIATION (the "Association"). The Association is the property owners' association for Chasewood Section One, Chasewood Section Two and Chasewood Section Three, subdivisions in Montgomery County, Texas, according to the maps or plats thereof recorded in the Map Records of Montgomery County, Texas (collectively the "Subdivision").

The Association is a Texas nonprofit corporation, and attached to this certificate is a true and correct copy of the **BYLAWS (AMENDED AND RESTATED AUGUST 2021)**.

Signed this 20th day of September, 2021.

BRYAN P. FOWLER, Attorney

STATE OF TEXAS §
 §
COUNTY OF MONTGOMERY §

SWORN TO AND SUBSCRIBED BEFORE ME on the 20th day of September, 2021, by BRYAN P. FOWLER, Attorney for CHASEWOOD PROPERTY OWNERS ASSOCIATION, a Texas nonprofit corporation.

Notary Public - State of Texas

THE STATE OF TEXAS §
 §
COUNTY OF MONTGOMERY §

This instrument was acknowledged before me on the 20th day of September, 2021, by BRYAN P. FOWLER, Attorney for CHASEWOOD PROPERTY OWNERS ASSOCIATION, a Texas nonprofit corporation, on behalf of said corporation.

Notary Public - State of Texas

AFTER RECORDING RETURN TO:

ARTICLE 1

OFFICES

1.01 Principal Office. The principal office of the Association shall be located at 3500 West Davis, Suite 190, Conroe, Texas 77304.

1.02 Other Offices. The corporation also may have offices at such other places within the State of Texas as the Board of Directors may from time to time determine or the business of the Association may require.

1.03 Change of Location. The Board of Directors may change the location of any office of the Association.

ARTICLE 2

DEFINITIONS

2.01 "Association" shall mean and refer to Chasewood Property Owners Association, its successors and assigns.

2.02 "Subdivision" shall mean and refer to that certain real property known as Chasewood, Sections One, Two and Three, and such additions thereto as may hereafter be brought within the jurisdiction of the Association.

2.03 "Common Area" shall mean all real property, if any, within the Subdivision, owned by the Association and/or dedicated for the common use and enjoyment of the Owners of property in the Subdivision.

2.04 "Lot" or "Lots" shall mean and refer to the lots as shown on the plats of the Subdivision and any other tracts brought within the jurisdiction of the Association.

2.05 "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any Lot which is a part of the Subdivision. In the event of an executory contract for installment sale or contract for deed covering any Lot, the "Owner" shall be the purchaser named in the contract. "Owner" does not include those persons or entities having an interest merely as security for the performance of an obligation or those having an interest in the mineral estate only.

2.06 "Restrictions" shall mean and refer to the Declaration of Amended and Restated Covenants, Conditions, and Restrictions for Chasewood, Section One, Two and Three, filed in the Official Public Records of Real Property of Montgomery County, Texas under Clerk's File No. 2016-045033, together with any amendments thereto.

2.07 "Member" shall mean and refer to those persons entitled to membership in the Association.

ARTICLE 3

QUALIFICATIONS FOR MEMBERSHIP

3.01 Membership. The membership of the Association shall consist of all the owners of the Lots within the Subdivision or brought within the scheme of the Restrictions for the Subdivision pursuant to the provisions and authority of said Restrictions, including contract purchasers. The

foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any lot.

3.02 Proof of Membership. The rights of membership shall not be exercised by any person until satisfactory proof has been furnished to the Secretary of the Association that the person is qualified as a Member. Such proof may consist of a copy of a duly executed and acknowledged deed, contract for deed or title insurance policy evidencing ownership of a Lot or Lots in the Subdivision. Such deed, contract for deed or policy shall be deemed conclusive in the absence of a conflicting claim based on a later deed, contract or policy.

3.03 No Additional Qualification. The sole qualification for membership shall be ownership of a Lot or Lots in the Subdivision. No initiation fees, costs, or dues shall be assessed against any person as a condition of membership except such assessments, levies, and charges as are specifically authorized under the Restrictions.

3.04 Certificates of Membership. The Board of Directors may provide for the issuance of certificates evidencing membership in the Association which shall be in such form as may be determined by the Board. All certificates evidencing membership shall be consecutively numbered. The name and address of each Member and the date of issuance of the certificate shall be entered on the records of the Association and maintained by the Secretary at the registered office of the Association.

ARTICLE 4

VOTING RIGHTS

4.01 Voting. Voting shall be a one vote per Lot basis. The Owner or Owners of each Lot are entitled to one vote for each Lot owned in the Subdivision. If record title to a particular Lot or Lots is in the name of two or more persons, all co-owners shall be Members and may attend any meeting of the Association but the voting rights appurtenant to each such Lot may not be divided and fractional votes shall not be allowed. Any one of said co-owners may exercise the vote appurtenant to each such Lot so owned at any meeting of the Members and such vote shall be binding and conclusive on all of the other co-owners of said Lot who are not present; provided, if one of the non-attending co-owners has given the Association notice of objection to the attending co-owner's vote, no vote shall be cast for said Lot except upon notice of unanimous consent by all such co-owners being given to the Association. In the event more than one vote is cast for a single Lot by an Owner, none of the votes so cast shall be counted and all of such votes shall be deemed void.

4.02 Proxies. At all meetings of Members, each Member may vote by proxy. All proxies shall be in writing and filed with the Secretary of the Association. Every proxy shall be revocable and shall automatically cease on conveyance by the Member of his Lot, or on receipt of notice by the Secretary of the death or judicially declared incompetence of such Member. No proxy shall be valid after eleven (11) months from the date of its execution, unless otherwise specifically provided in the proxy.

4.03 Methods of Voting. The voting rights of a Member may be cast or given:

- a. in person or by proxy at a meeting of the Association;
- b. by absentee ballot; or
- c. by electronic ballot, including electronic mail or facsimile.

Absentee ballots may not be counted, even if properly delivered, if the Member attends any meeting to vote in person so that any vote cast at a meeting by the Member supersedes any vote submitted by absentee or electronic ballot previously submitted for that proposal. Absentee or electronic ballots may not be counted on the final vote of a proposal if the motion was amended at a meeting of the Members to be different from the exact language on the absentee or electronic ballot. Any solicitation for votes by absentee ballot by the Association must include an absentee ballot that contains each proposed action and provides an opportunity to vote for or against the proposed action, instructions for delivery of the completed absentee ballot, including the delivery location, all of which are required by Section 209.00592 of the TEXAS PROPERTY CODE.

4.04 Quorum. The presence, either in person or by proxy, at any meeting, of Members entitled to cast at least ten percent (10%) of the total votes of the Association shall constitute a quorum for any action. Absentee and electronic ballots shall be counted as a Member present and voting for purposes of establishing a quorum for items appearing on the ballot. Notwithstanding any other provision contained in these Bylaws, in the absence of a quorum at a meeting of Members, the meeting may be convened for the sole purpose of conducting Director elections. The quorum required for election of Directors at such convened meeting shall be the number of votes cast in person, by proxy, by absentee ballot, or electronic ballot.

4.05 Required Vote. The vote of the majority of the votes entitled to be cast by the Members shall be the act of the meeting of the Members, unless the vote of a greater number is required by statute, the Articles of Incorporation or these Bylaws.

4.06 Cumulative Voting. Cumulative voting shall not be permitted.

ARTICLE 5

MEETINGS OF MEMBERS

5.01 Annual Meetings. The annual meeting of the Members of the Association shall be held in October of each year, on a date and time set by the Board of Directors.

5.02 Special Meetings. Special meetings of the Members may be called by the President, the Board of Directors, or by Members representing at least ten (10%) percent of the total votes entitled to be cast by the Members.

5.03 Place of Meetings or Virtual Meetings. Meetings of the Members shall be held within the Subdivision or at a convenient meeting place as close thereto as possible as the Board may specify in writing. Meetings of the Members may also be conducted virtually in accordance with the Texas Business Organizations Code.

5.04 Notice of Meetings. Written notice of all Members' meetings shall be given by or at the direction of the Secretary of the Association (or other persons authorized to call the meeting) by mailing or personally delivering a copy of such notice at least ten (10) but not more than fifty (50) days before such meeting to each Member entitled to vote at such meeting, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting and, in the case of a special meeting, the nature of the business to be undertaken. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the Member at the address last appearing on the books of the Association with postage thereon paid.

5.05 Order of Business at Meetings. The order of business at all meetings of the Members shall be as follows:

- a. Establish quorum;
- b. Proof of notice of meeting or waiver of notice;
- c. Reading of Minutes of preceding meeting;
- d. Reports of officers;
- e. Reports of committees;
- f. Election of directors;
- g. Unfinished business; and
- h. New business.

5.06 Action without Meeting. Any action required by law to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Members and filed with the Secretary of the Association.

ARTICLE 6

BOARD OF DIRECTORS

6.01 Number. The affairs of the Association shall be managed by the Board of Directors consisting of five (5) persons. All Directors must be members of the Association. The number of Directors comprising the Board of Directors may be increased or decreased by a Bylaw amendment. No decrease in the number of Directors shall have the effect of shortening the term of any incumbent Director. Each Director must be a Member of the Association.

6.02 Term. Each Director shall serve a three (3) year term, or until a successor is elected and qualified.

6.03 Removal. Directors may be removed from office with or without cause by a majority vote of the Members of the Association.

6.04 Vacancies. In the event of a vacancy on the Board caused by the death, resignation, or removal of a Director, the remaining Directors shall, even if less than a quorum remain, by majority vote, elect a successor who shall serve for the unexpired term of his predecessor in office.

Any directorship to be filled by reason of an increase in the number of directors shall be filled by election at an annual meeting or at a special meeting of Members called for that purpose.

6.05 Compensation. No Director shall receive compensation for any service he may render to the Association. A Director may, however, be reimbursed by the Board for actual expenses incurred by him in the performance of his duties.

6.06 Powers and Duties. The Board shall have the powers and duties, and shall be subject to limitations on such powers and duties, as enumerated in these Bylaws or in the Restrictions or as set forth in the Articles of Incorporation of the Association. In addition, the Board of Directors shall have the following powers and duties:

- a. cause to be kept a complete record of all its acts and corporate affairs and to present a statement thereof to the members at the annual meeting of the Members;

- b. supervise all officers, agents and employees of this Association, and see that their duties are properly performed;
- c. as more fully provided in the Restrictions to:
 - (1) adjust the amount of the annual maintenance fund assessment against each lot;
 - (2) send written notice of each assessment to every Owner subject thereto; and
 - (3) foreclose the lien against any property for which assessments are not timely paid and/or bring an action at law against each Owner personally obligated to pay the same;
- d. issue, or to cause an appropriate office to issue, upon demand by any person, a certificate setting forth whether or not any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states an assessment has been paid, such certificate shall be conclusive evidence of such payment;
- e. procure and maintain, if possible, adequate liability and hazard insurance on property owned by the Association;
- f. cause all officers or employees having fiscal responsibilities to be bonded, as it may deem appropriate;
- g. cause the private roads and streets in the Subdivision to be maintained;
- h. cause the Common Area to be maintained;
- I. cause the Restrictions of the Subdivision to be enforced and administered;
- j. cause the architectural control of the Subdivision as set forth in the Restrictions;
- k. employ such accountants, attorneys, contractors or other persons or entities as the Board deems necessary to manage and administer the affairs of the Association;
- l. manage the affairs of the Association; and
- m. perform all acts and do all things provided for or contemplated to be done by the Association in the Restrictions.

Directors shall exercise ordinary business judgment in managing the affairs of the Association. Directors shall act as fiduciaries with respect to the interests of the Members. In acting in their official capacity as directors of this Association, directors shall act in good faith and take actions they reasonably believe to be in the best interests of the Association and that are not unlawful. In all instances, the directors shall not take any action that they should reasonably believe would be contrary to the Association's best interests or would be unlawful. A director shall not be liable if, in the exercise of ordinary care, the director acts in good faith relying on written financial and legal statements provided by an accountant or attorney retained by the Association.

6.07 Actions of Board of Directors. The Board of Directors shall try to act by consensus. However, the vote of a majority of directors present and voting at a meeting at which a quorum is present shall be sufficient to constitute the act of the Board of Directors unless the act of a greater number is required by law or these Bylaws. A director who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of determining the decision of the Board of Directors. For the purpose of determining the decision of the Board of Directors, a director who is represented by proxy in a vote is considered present.

6.08 Association Contracts. The Association may enter into an enforceable contract with a current Association board member, a person related to a current Association board member within the third degree by consanguinity or affinity, as determined under Chapter 573, GOVERNMENT CODE, a company in which a current Association board member has a financial interest in at least 51 percent (51%) of profits, or a company in which a person related to a current Association member within the third degree by consanguinity or affinity, as determined under Chapter 573, GOVERNMENT CODE, has a financial interest in at least 51 percent (51%) of profits, if the following conditions are satisfied:

- (a) the board member, relative, or company bids on the proposed contract and the Association has received at least two other bids for the contract from persons not associated with the board member, relative, or company, if reasonably available in the community; and
- (b) the board member:
 - (1) is not given access to the other bids;
 - (2) does not participate in any board discussion regarding the contract; and
 - (3) does not vote on the award of the contract.

Contracts for services that will cost more than \$50,000.00 shall require solicitation of bids according to a bid process established by the Association.

6.09 Appeals to Board.

A. Architectural Review. If an Application for construction of improvements is submitted by an Owner and denied by the Architectural Control Committee, the following denial notice and hearing requirements are applicable:

1. Denial Notice Requirements. Denials of an application by an Owner for the construction of improvements in the Subdivision may be appealed to the Board (not a committee). A written notice of the denial must be provided to the Owner by certified mail, hand delivery or electronic delivery. The notice must describe the basis for the denial in reasonable detail and include changes, if any to the application or improvements required as a condition to approval. The notice must also inform the Owner that the Owner may request a hearing on or before the 30th day after the date the denial notice was mailed to the Owner.

2. Denial Hearings. If an Owner requests a hearing to appeal the denial, the Board (not a committee) shall hold a hearing no later than the 30th day after receipt of the Owner's request for hearing, and shall notify the Owner of the date, time and place of the hearing not later than the 10th day before the hearing. Only one hearing is required. Each side must be provided an opportunity to discuss and potentially resolve the denial. The Board or the Owner may request a postponement of not more than 10 days, and otherwise only by agreement. Either party may make an audio recording of the hearing. The Board may affirm, modify, or reverse, in whole or in part, any decision of the Architectural Control Committee as consistent with the Restrictions.

B. **Deed Restriction Violations.** If an Owner requests a hearing under Chapter 209.007 of the Texas Property Code to appeal an alleged deed restriction violation, the Board shall hold a hearing no later than the 30th day after receipt of the Owner's request for hearing, and shall notify the Owner of the date, time and place of the hearing not later than the 10th day before the hearing. Not later than 10 days before the hearing, the Association must furnish the owner a packet containing all documents, photos and communications related to the alleged violation. If the Association does not provide the packet within that time, the Owner is entitled to an automatic 15day postponement. During the hearing, the Association first presents its case against the owner. Thereafter, the owner or owner's representative may respond and present the Owner's information and issues relevant to the dispute.

ARTICLE 7

NOMINATION AND ELECTION OF DIRECTORS

7.01 **Nomination of Directors.** Nomination to fill the places of outgoing members of the Board of Directors may be made by any member of the Association by notifying a Director or the management company. Also, any member of the association may declare his or her candidacy for the place of an outgoing member of the Board of Directors by notifying a Director or the management company of their desires. At least ten (10) days before the Association disseminates absentee ballots to Association members for the purpose of voting in a board member election, the Association must provide notice to the Association members soliciting candidates interested in running for a position on the board. The notice must contain instructions for an eligible candidate to notify the Association of the candidate's request to be placed on the ballot and the deadline to submit the candidate's request. The notice must also state (a) the number of positions available on the board that will be filled at the upcoming election; (b) the phone number, fax number, email address and/or physical address at which the member may notify the Association that he or she wishes to have his or her name placed on the ballot for the election; and (c) any other information necessary to inform the members how to have their name listed on the ballot for the election. The deadline may not be earlier than the 10th day after the date the Association provides the notice required herein. The Association shall include on each absentee ballot for a board member election the name of each eligible candidate from whom the Association received a request to be placed on the ballot. No candidate shall not have a conviction for a felony or any crime involving moral turpitude, unless said conviction is more than twenty (20) years old.

7.02 **Candidates and Posting of Names.** The Secretary will cause the names of all eligible candidates for the Board of Directors positions to be printed on the official ballot used at such election and none of the names may be withdrawn after the said names have been published on the bulletin board and/or the Chasewood website. All names shall be arranged alphabetically on the ballot with spaces for write-in candidates. At least fifteen (15) days prior to the annual election, the Secretary shall mail a copy of such ballot to each Member.

7.03 **Election.** Directors are elected at the annual meeting of Members of the Association; however, Members may cast votes as permitted in these Bylaws. Members may cast, in respect to each directorship to be filled, as many votes as they are entitled to exercise under the provisions of these Bylaws. The nominees receiving the highest number of votes shall be elected. No Member may cumulate votes.

7.04 **Recount Procedures.** A Member may, not later than the fifteenth (15th) day after the date of a meeting at which an election was held, require a recount of votes in accordance with Section 209.0057 of the TEXAS PROPERTY CODE.

7.05 **Election Vote Tabulators.** A person who is a candidate in an Association election or who is otherwise the subject of an Association vote, or a person related to that person within the

third degree of consanguinity or affinity, as determined under Chapter 573 of the TEXAS GOVERNMENT CODE, may not tabulate or otherwise be given access to the ballots cast in the election or vote.

ARTICLE 8

MEETINGS OF DIRECTORS

8.01 Regular Meetings. Regular meetings of the Board of Directors shall be held no less often than quarterly at such place and at such time as may be fixed from time to time by resolution of the Board. The first regular meeting of each new Board shall be held within thirty (30) days after the annual meeting of Members. Meetings of the Board of Directors, whether regular or special, may be held virtually, in accordance with the Texas Business Organizations Code.

8.02 Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President and Secretary of the Board of Directors or by any two Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. Notice of any special meeting must be given to each Director not less than the time required under Section 8.06 of these Bylaws, and in the same manner.

8.03 Quorum. A quorum for the transaction of business by the Board of Directors shall be a majority of the number of Directors constituting the Board of Directors as fixed by these Bylaws.

8.04 Voting Requirement. The act of the majority of Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors unless any provision of the Articles of Incorporation or these Bylaws requires the vote of a greater number.

8.05 Open Meetings. Regular and special Board meetings shall be open to Members, subject to the right of the Board to adjourn a meeting and reconvene in closed executive session to consider actions involving personnel, pending or threatened litigation, contract negotiations, enforcement actions, confidential communications with the property Association's attorney, matters involving the invasion of privacy of individual owners, or matters that are to remain confidential by request of the affected parties and agreement of the Board. Following any executive session, any decision made in the executive session shall be summarized orally and placed in the minutes, in general terms, without breaching the privacy of individual owners, violating any privilege, or disclosing information that was to remain confidential at the request of the affected parties. The oral summary shall include a general explanation of any expenditures approved in executive session.

8.06 Meeting with Notice to Members. Members shall be given notice of the date, hour, place, and general subject of a regular or special meeting of the Board, including a general description of any matter to be brought up for deliberation in executive session. The notice shall be (a) mailed to each member not later than the tenth (10th) day or earlier than the sixtieth (60th) day before the date of the meeting; or (b) provided at least one hundred forty-four (144) hours before the start of the meeting for regular Board meetings and at least seventy-two (72) hours before the start of the meeting for special Board meetings by (i) posting the notice in a conspicuous manner reasonably designed to provide notice to the members in a place located on the Association's common property, or on conspicuously located private property within the subdivision, or (ii) by posting the notice on an Internet website maintained by the Association; and (iii) by sending the notice by e-mail to each owner who has registered an e-mail address with the Association.

A board meeting may be held by electronic or telephonic means provided that (1) a board member may hear and be heard by every other board member, (2) except for any portion of the meeting conducted in executive session, (a) that all owners in attendance at the meeting may hear all board members, and (b) Owners are allowed to listen using any electronic or telephonic

communication methods used or expected to be used by the board member to participate, and (3) notice of meeting includes instructions for owners to access any communication method required to be assessable hereunder.

8.07 Meetings without Notice. A board may take action outside of a meeting, including voting by electronic or telephonic means, without prior notice to owners as required herein, if each board member is given a reasonable opportunity to express the board member's opinion to all other board members and to vote. Any action taken without notice to the Members must be summarized orally, including an explanation of any known actual or estimated expenditures approved at the meeting, and documented in the minutes at the next regular or special meeting of the Board. The Board may not, unless done in an open board meeting for which prior notice was given to owners as required herein, consider or vote on fines; damage assessments; initiation of foreclosure actions; initiation of enforcement actions, excluding temporary restraining orders or violations involving a threat to health or safety; increases in assessments; levying of special assessments; appeals from a denial of architectural control approval; or the suspension of a right of a particular Member before the Member has an opportunity to attend a Board meeting to present the Member's position, including any defense on the issue, lending or borrowing, the adoption of an amendment to any dedicatory instruments, the approval of an annual budget, sale of purchase of real property, the filling of a vacancy on the board, the construction of capital improvements other than the repair, replacement, or enhancement of existing capital improvements, or the election of an officer.

ARTICLE 9

COMMITTEES

9.01 Appointed by Board of Directors. The Board of Directors shall appoint such committees as are required by the Restrictions. A person may not be appointed or elected to serve on the Architectural Control Committee if the person is a current Board member, spouse of a current Board member, or a person residing in a current Board members's household. The Board may, from time to time, establish and appoint to such other committees as it shall deem necessary and advisable to assist the Board in the general operation and management of the Association. The Chairman and all Members of each such committee must be a member of the Association.

9.02 Authority of Committees. The Board of Directors may grant to any committee thus established by the Board such authority and power consistent with these Bylaws as the Board shall deem required to carry out the intended purposes and functions of such committee.

9.03 Discharge of Committees and Committeemen. The Board of Directors may discharge any committee established by the Board and may remove and replace any committeeman appointed to any committee.

ARTICLE 10

OFFICERS

10.01 Enumeration of Officers. The Officers of this Association (who shall at all times be members of the Board of Directors) shall be a President, a Vice President and a Secretary and Treasurer. The Board of Directors may, by resolution, create such other offices as it deems necessary or desirable.

10.02 Term. The Officers of this Association shall be elected annually by the Board of Directors and each shall hold office for a term of one year, unless such officer shall sooner resign, be removed, or be otherwise disqualified to serve.

10.03 Resignation and Removal. Any Officer may resign at any time by giving written notice to the Board, the President or the Secretary. Such resignation shall take effect at the date of receipt of such notice or at any later time specified therein. Any officer may be removed from office by the Board whenever, in the Board's judgment, the best interests of the Association would be served by such removal.

10.04 Multiple Offices. Any two or more offices may be held by the same person, except the offices of President and Secretary.

10.05 Compensation. Officers shall not receive compensation for services rendered to the Association.

ARTICLE 11

PRESIDENT

11.01 Election. At the first meeting of the Board immediately following the annual meeting of the Members, the Board shall elect one of its members to act as President.

11.02 Duties. The President shall:

- a. Preside over all meetings of the Members and of the Board;
- b. Sign as President all deeds, contracts, and other instruments in writing which have been first approved by the Board, unless the Board, by duly adopted resolution, has authorized the signature of a lesser officer;
- c. Call meetings of the Board whenever he deems it necessary in accordance with rules and on notice agreed to by the Board; and
- d. Have, subject to the advice of the Board, general supervision, direction and control of the affairs of the Association and discharge such other duties as may be required of him by the Board.

ARTICLE 12

VICE PRESIDENT

12.01 Election. At the first meeting of the Board immediately following the annual meeting of the Members, the Board shall elect one of its members to act as Vice President.

12.02 Duties. The Vice President shall:

- a. Act in the place and in the stead of the President in the event of his absence, inability, or refusal to act; and
- b. Exercise and discharge such other duties as may be required of him by the Board. In connection with any such additional duties, the Vice President shall be responsible to the President.

ARTICLE 13

SECRETARY

13.01 Election. At the first meeting of the Board immediately following the annual meeting of the Members, the Board shall elect a Secretary. The Secretary need not be a member of the Board.

13.02 Duties. The Secretary shall:

- a. Keep a record of all meetings and proceedings of the Board and of the Members;
- b. Keep the seal of the Association, if any, and affix it on all papers requiring said seal;
- c. Serve such notices of meetings of the Board and the Members required either by law or by these Bylaws;
- d. Keep appropriate current records showing the members of this Association together with their addresses; and
- e. Sign as Secretary all deeds, contracts, and other instruments in writing which have been first approved by the Board if said instruments require a second Association signature, unless the Board has authorized another Officer to sign in the place and stead of the Secretary by duly adopted resolution.

ARTICLE 14

TREASURER

14.01 Election. At the first meeting of the Board immediately following the annual meeting of the members, the Board shall elect a Treasurer. The Treasurer need not be a member of the Board.

14.02 Duties. The Treasurer shall:

- a. Receive and deposit in such bank or banks as the Board may from time to time direct, all of the funds of the Association;
- b. Be responsible for, and supervise the maintenance of, books and records to account for such funds and other Association assets;
- c. Disburse and withdraw said funds as the Board may from time to time direct, and in accordance with prescribed procedures; and
- d. Prepare and distribute the financial statements for the Association required by the Restrictions.

ARTICLE 15

BOOKS AND RECORDS

15.01 Maintenance. Complete and correct records of account and minutes of proceedings of meetings of Members, Directors, and committees shall be kept at the registered office of the Association. A record containing the names and addresses of all Members entitled to vote shall be kept at the registered office or principal place of business of the Association.

15.02 Inspection. The Restrictions of the Subdivision, the Articles of Incorporation and the Bylaws of the Association, the membership register, the books of account, and the minutes of proceedings, shall be available for inspection and copying by any Member of the Association in accordance with the Association's Record Production Policy.

ARTICLE 16
AMENDMENTS

16.01 Amendments. The Board of Directors of this Association is expressly authorized to alter, amend, or repeal the Bylaws or to adopt new Bylaws of this Association, without any action on the part of the Members; but the Bylaws made by the Directors and the powers so conferred may be altered or repealed by the Members.

ARTICLE 17
CONFLICTS

17.01 Restrictions Govern. These Bylaws amend and replace all bylaws currently in effect and become effective on the date adopted herein. In the event of a conflict between the provisions of these Bylaws and the Restrictions, the terms and provisions of the Restrictions shall prevail.

ATTESTATION

Adopted by the Board of Directors on this 17 day of August, 2021.

**CHASEWOOD PROPERTY OWNERS
ASSOCIATION**

President

ATTEST:

Secretary

E-FILED FOR RECORD
09/20/2021 03:38PM

COUNTY CLERK
MONTGOMERY COUNTY, TEXAS

STATE OF TEXAS,
COUNTY OF MONTGOMERY

I hereby certify that this instrument was e-filed in the file number sequence on the date and time stamped herein by me and was duly e-RECORDED in the Official Public Records of Montgomery County, Texas.

COUNTY OF MONTGOMERY §

This instrument was acknowledged before me on the 20th day of September, 2021, by BRYAN P. FOWLER, Attorney for CHASEWOOD PROPERTY OWNERS ASSOCIATION, a Texas nonprofit corporation, on behalf of said corporation.

Notary Public - State of Texas

AFTER RECORDING RETURN TO:

BRYAN P. FOWLER
The Fowler Law Firm
505 West Davis
Conroe, Texas 77301

**ARCHITECTURAL CONTROL GUIDELINES AND REGULATIONS
OF
CHASEWOOD PROPERTY OWNERS ASSOCIATION**

WHEREAS, the property affected by these Architectural Control Guidelines and Regulations is subject to certain dedications, covenants and restrictions (the "Declaration") set out in instruments recorded in the Official Public Records of Real Property at Montgomery County, Texas as follows:

- *Chasewood Section One* - Clerk's File No. 9846446, Real Property Records of Montgomery County;
- *Chasewood Section Two* - Clerk's File No. 99057593, Real Property Records of Montgomery County, Texas;
- *Chasewood Section Three* - Clerk's File No. 2003-040164, Real Property Records of Montgomery County, Texas; and

WHEREAS, pursuant to the authority vested in Chasewood Property Owners Association (the "Association") in the Declaration and as required by the TEXAS PROPERTY CODE, the Board of Directors of the Association (the "Board") has determined that, in order to provide clear and definitive guidance for maintaining the aesthetics and architectural harmony of the community, it is appropriate to adopt guidelines toward that end. Therefore, the Board hereby promulgates the following Architectural Control Guidelines and Regulations.

NOW, THEREFORE, BE IT RESOLVED that the following conditions and requirements are hereby established for Association Architectural Control Guidelines and Regulations:

GUIDELINES AND REGULATIONS

The following are guidelines adopted by the Board to specify their standards, requirements and thought process used in evaluating various exterior improvements. These guidelines may be amended from time-to-time as circumstances, conditions or opinions of the ACC dictate. The ACC has the right to deny approval for a similar improvement based on the proximity of a property to a main boulevard or the visual relativity of the site to the overall development. As an example, a home located on the perimeter of the development may be permitted to have a certain styled storage building, whereas on a main entry boulevard and depending on the configuration of the lot, this same item may not be approved. The intent being to maintain overall integrity within areas of higher visual impact.

It should be noted that the ACC approval is required prior to the installation or construction of the improvement or change. If an improvement is made without ACC approval, the Board of Directors has the legal right to enforce its removal.

The following guidelines shall be applicable to all properties under the jurisdiction of the Association.

These guidelines shall also encumber any future property which may be brought within the jurisdiction of the Association.

These guidelines supercede and take the place of any previous architectural control guidelines for the Association.

A. DISPLAY OF FLAGS:

1. These Guidelines apply to the display of (“Permitted Flags”):
 - a. the flag of the United States; and
 - b. the flag of the State of Texas; and
 - c. the official flag of any branch of the United States armed forces; and
 - d. flags with religious themes.
2. These Guidelines do not apply to any flags other than the Permitted Flags listed in Section 1 above including, but not limited to:
 - a. flags for schools, sports teams, businesses or foreign countries; or
 - b. flags with marketing, seasonal, historical, commemorative, nautical, or political themes; or
 - c. historical versions of flags permitted in section 1 above.
3. Permitted Flags may be displayed subject to these guidelines. Advance written approval of the ACC is required for any free-standing flagpole and any additional illumination associated with the display of Permitted Flags.
4. Permitted Flags must be displayed in a respectful manner in accordance with the current relevant federal, state or military code.
5. Permitted Flags must be displayed from a pole attached to a structure or to a free-standing pole. Permitted Flags may not be draped over or directly attached to structures. For example, a Permitted Flag may not be laid across a fence or stapled to a garage door.
6. Permitted Flags shall be no larger than three foot (3’) by five foot (5’) in size.
7. Only one Permitted Flag may be displayed on a flagpole attached to a structure. Up to two Permitted Flags may be displayed on an approved free-standing flagpole that is at least fourteen feet (14’) tall.
8. Flagpoles must be constructed of permanent, long-lasting materials with an appropriate finish that is harmonious with the dwelling.

9. An owner may install a flagpole by attaching it to a structure, so long as the structure is owned by the owner and not maintained by the Association.
10. A flagpole attached to a structure may be up to six feet (6') long and must be securely attached with a bracket with an angle of 30 to 45 degrees down from vertical. The flagpole must be attached in such a manner as to not damage the structure. One attached flagpole is allowed on any portion of a structure facing a street and one attached flagpole is allowed on the rear or backyard portion of a structure. Brackets which accommodate multiple flagpoles are not allowed.
11. An owner may install one flagpole, not more than 20 feet in height, in the front yard of his property, if the location of the flag pole does not violate any applicable zoning ordinances, easements and setbacks of record.
12. Free-standing flagpoles may be up to twenty feet (20') tall, including any ornamental caps. Free-standing flagpoles must be permanently installed in the ground according to manufacturer's instructions. One free-standing flagpole is allowed in the portion of the owner's property between the main residential dwelling and any street and one free-standing flagpole is allowed in the rear or backyard portion of a property.
13. Free-standing flagpoles may not be installed in any location described below:
 - a. in any location other than the Owner's property; or
 - b. within a ground utility easement or encroaching into an aerial easement; or
 - c. beyond the side or rear setback lines (for example, on a lot with a 10' side setback line, a flagpole may not be installed closer than 10' from the side property line); or
 - d. beyond half the distance of the front setback line (for example, on a lot with a 30' front setback line, a flagpole may not be installed closer than 15' from the front property line); or
 - e. closer to a dwelling on an adjacent lot than the height of the flagpole (for example, a 20' flagpole cannot be installed closer than 20' from an adjacent house).
14. Lighting may be installed to illuminate Permitted Flags if they will be displayed at night and if existing ambient lighting does not provide proper illumination. Flag lighting must:
 - a. be ground mounted in the vicinity of the flag; and
 - b. utilize a fixture that screens the bulb and directs light in the intended direction with minimal spillover; and
 - c. point towards the flag and face the main structure on the property or to the center of the property if there is no structure; and

- d. provide illumination not to exceed the equivalent of a 60 watt incandescent bulb.
- 15. Flagpoles must not generate unreasonable noise levels which would disturb the quiet enjoyment of other residents. Each flagpole owner should take steps to reduce noise levels by using vinyl or plastic snap hooks, installing snap hook covers or securing a loose halyard (rope) around the flagpole with a flagpole clasp.
- 16. Flagpoles are allowed solely for the purpose of displaying Permitted Flags. If a flagpole is no longer used on a daily basis, it must be removed.
- 17. All flags and flagpoles must be maintained in good condition. Deteriorated flags must be removed and promptly replaced. Deteriorated or structurally unsafe flagpoles must be promptly repaired, replaced or removed.
- 18. Flagpoles shall comply with the other provisions of the Association flagpole policy, including the requirement that the owner apply for and obtain the written permission of the Association architectural committee before installing any flagpole.

B. DROUGHT-RESISTANT LANDSCAPING AND WATER-CONSERVING TURF:

- 1. The following items are deemed aesthetically incompatible with the landscaping in the Subdivision and will not be approved:
 - a. Astro-turf and any other artificial turf (all turf must be natural and living);
 - b. Artificial plants, trees, shrubs, bushes and other artificial landscaping (all landscaping must be natural and alive);
 - c. areas of rock, gravel, stone, or similar ground cover that comprise a significant portion of the front yard that is visible from public view, as determined in the sole discretion of the Association;
 - d. Cacti and similar plants that constitute the primary landscaping feature on the lot; and
 - e. Species of plant or turf that are dangerous, toxic or invasive to humans, animals or indigenous plan life.
- 2. The Association shall have the sole discretion as to what constitutes the meaning of "drought-resistant", "water-conserving", "artificial" and all other terms used in this policy that are not otherwise defined by applicable law or the Association's dedicatory instruments.
- 3. No modification or installation of landscaping governed by this policy shall be made until the owner has first applied for and obtained the written approval of the Association.

4. The Board of Directors may not unreasonably withhold approval of items regulated by this policy.

C. RAINWATER RECOVERY SYSTEMS:

1. Rainwater Recovery Systems may be installed with advance written approval of the ACC subject to these guidelines.
2. All such Systems must be installed on land owned by the property owner. No portion of the Systems may encroach on adjacent properties or common areas.
3. Other than gutters and downspouts conventionally attached to a dwelling or appurtenant structure, all components of the Systems, such as tanks, barrels, filters, pumps, motors, pressure tanks, pipes and hoses, must be substantially screened from public view from any street or common area. Screening may be accomplished by:
 - a. placement behind a solid fence, a structure or vegetation; or
 - b. by burying the tanks or barrels; or
 - c. by placing equipment in an outbuilding otherwise approved by the ACC.
4. A rain barrel may be placed in a location visible from public view from any street or common area only if the configuration of the guttering system on the structure precludes screening as described above with the following restrictions:
 - a. the barrel must not exceed 55 gallons; and
 - b. the barrel must be installed in close proximity to the structure on a level base with the guttering downspout leading directly to the barrel inlet at a substantially vertical angle; and
 - c. the barrel must be fully painted in a single color to blend with the adjacent home or vegetation; and
 - d. any hose attached to the barrel discharge must be neatly coiled and stored behind or beside the rain barrel in the least visible position when not in use.
5. Overflow lines from the Systems must not be directed onto or adversely affect adjacent properties or common areas.
6. Inlets, ports, vents and other openings must be sealed or protected with mesh to prevent children, animals and debris from entering the barrels, tanks or other storage devices. Open top storage containers are not allowed, however, where space allows and where appropriate, ACC approved ponds may be used for water storage.
7. Harvested water must be used and not allowed to become stagnant or a threat to health.

8. All Systems must be maintained in good repair. Unused Systems should be drained and disconnected from the gutters. Any unused Systems in public view must be removed from public view from any street or common area.

D. DISPLAY OF RELIGIOUS ITEMS:

1. A property owner or resident may display religious items on their property or residence related to any faith that is motivated by the resident's sincere religious belief or tradition.
2. To the extent allowed by the Texas state constitution and the United States constitution, any such displayed or affixed religious items may not:
 - a. threaten public health or safety; or
 - b. violate any law other than a law prohibiting the display of religious speech;
 - c. contain language, graphics or any display that is patently offensive to a passerby for reasons other than religious content;
 - d. be installed on common areas or common elements;
 - e. violate any applicable building line, right-of-way, setback or easement; or
 - f. be attached to a traffic control device, street lamp, fire hydrant, or utility sign, pole, or fixture.

E. ROOFING MATERIALS:

1. All buildings shall be roofed with composition shingles unless otherwise approved in writing by the ACC. Wood shingles are specifically prohibited for safety reasons.
2. Composition shingles must weigh at least 230 pounds per square and have a stated warranty of at least 25 years. Shingles must have a laminated design. Three-tab shingles are specifically prohibited except for use as a starter and cap rows.
3. Roof shingles must be dark brown or dark gray tones. Light brown, light gray, blue, green, red and white colors are not allowed.
4. Roof overlays are not allowed. Prior to roofing, all existing materials must be removed down to clean decking. Any damaged or deteriorated decking must be replaced.
5. Ridge vent are encouraged, to improve ventilation, reduce attic temperature and reduce cooling costs, but are not required.
6. All roof protrusions, such as vents, roof jacks, must be painted to match the shingles.

7. Subject to Section 8 below and with advance written approval from the ACC, an owner may install shingles (“Alternative Shingles”) which are designed primarily to:
 - a. be wind and hail resistant; or
 - b. provide heating or cooling efficiencies greater than traditional composition shingles; or
 - c. provide solar energy capture capabilities.
8. Once installed, any such Alternative Shingles must:
 - a. resemble the shingles used or authorized to be used on other structures within the Association; and
 - b. be more durable than and of equal or superior quality to the shingles used or authorized to be used on other structures within the Association; and
 - c. match the aesthetics of properties surrounding the owner’s property.

F. SOLAR ENERGY DEVICES:

1. These guidelines apply to solar energy devices (“Devices”) as defined in Section 171.107(a) of the Texas Tax Code. A solar energy device means a system or series of mechanisms designed primarily to provide heating or cooling or to produce electrical or mechanical power by collecting and transferring solar-generated energy. The term includes a mechanical or chemical device that has the ability to store solar-generated energy for use in heating or cooling or in the production of power.
2. Such Devices may only be installed with advance written approval of the ACC subject to these guidelines.
3. Any such Device must be installed on land or structures owned by the property owner. No portion of the Devices may encroach on adjacent properties or common areas.
4. Such Devices may only be installed in the following locations:
 - a. on the roof of the main residential dwelling; or
 - b. on the roof of any other approved structure; or
 - c. within a fenced yard or patio.
5. For Devices mounted on a roof, the Device must:
 - a. have no portion of the Device higher than the roof section to which it is attached; and

- b. have no portion of the Device extend beyond the perimeter boundary of the roof section to which it is attached; and
 - c. conform to the slope of the roof; and
 - d. be aligned so the top edge of the Device is parallel to the roof ridge line for the roof section to which it is attached; and
 - e. have a frame, brackets and visible piping or wiring that is a color to match the roof shingles or a silver, bronze or black tone commonly available in the marketplace; and
 - f. be located in a position on the roof which is least visible from any street or common area, so long as such location does not reduce estimated annual energy production more than 10% over alternative roof locations (as determined by a publically available modeling tool provided by the National Renewable Energy Laboratory [www.nrel.gov] or equivalent entity).
6. For Devices located in a fenced yard or patio, no portion of the Device may extend above the top of the fence. If the fence is not a solid fence which blocks view of the Device, the Association may require the Device be placed in a location behind a structure or otherwise require visual screening. The Association may consider installation of Devices on properties without a fenced yard if there is adequate screening from public view from any street or common area.
7. All Devices must be installed in compliance with manufacturer's instruction and in a manner which does not void material warranties. Licensed craftsmen must be used where required by law. Permits must be obtained where required by law.
8. Installed Devices may not:
- a. threaten public health or safety; or
 - b. violate any law; or
 - c. substantially interfere with the use and enjoyment of land by causing unreasonable discomfort or annoyance to any adjoining property owner.
9. All Devices must be maintained in good repair. Unused or inoperable Devices must be removed.

G. STANDBY ELECTRIC GENERATORS:

1. The owner shall first apply to and receive written approval from the Association prior to installation of any Standby Electric Generators ("SEG") permitted by TEXAS PROPERTY CODE, Section 202.019 that will be located outside of the main residential structure on the Property, in the same manner as all other submissions for approval or improvements to property.

2. The SEG must be installed and maintained in compliance with manufacture's specifications and applicable governmental health, safety, electrical and building codes.
3. All electrical, plumbing, and fuel line connections for the SEG shall be installed only by licensed contractors and all electrical connections must installed in accordance with applicable governmental health, safety, electrical and building codes.
4. All natural gas, diesel fuel, biodiesel fuel, or hydrogen fuel line connections for the SEG shall be installed in accordance with applicable governmental health, safety, electrical and building codes.
5. All liquid petroleum gas fuel line connections shall be installed in accordance with rules and standards promulgated and adopted by the Railroad Commission of Texas and other applicable governmental health, safety, electrical and building codes.
6. All nonintegral standby electric generator fuel tanks for the SEG shall be installed and maintained to comply with applicable municipal zoning ordinances and governmental health, safety, electrical, and building codes.
7. The SEG, its electrical and fuel lines shall all be maintained in good condition.
8. If a component of an SEG, including electrical or fuel lines, is deteriorated or unsafe then that component shall be repaired, replaced or removed as appropriate.
9. The SEG shall be screened in accordance with plans submitted to and approved by the Association, if it is:
 - a. visible from the street faced by the dwelling,
 - b. located in an unfenced side or rear yard of a residence and is visible either from an adjoining residence or from adjoining property owned by the property owners' association, or
 - c. located in a side or rear yard fenced by a wrought iron or residential aluminum fence and is visible through the fence either from an adjoining residence or from adjoining property owned by the property owners association.
10. The SEG shall be periodically tested in accordance with the manufacturer recommendations.
11. The SEG shall not be used to generate all or substantially all of the electrical power to the residence, except when utility-generated electrical power to the residence is not available or is intermittent due to causes other than nonpayment for utility service to the residence.

12. The SEG shall be located in a location submitted to and approved by the Association.
13. The SEG shall not be located on property owned or maintained by the property owners association or owned in common by the property owners association.
14. The location required by the Association for a SEG may not increase the cost of installing the SEG by more than 10% or increase the cost of installing and connecting the electrical and fuel lines for the SEG by more than 20%.

H. FENCES:

1. Approved Fence Materials: Wood privacy fence or wrought iron fence are the ONLY materials approved by the ACC.
2. Approved Fence Height: Wood privacy fences are required to have a minimum height of six feet (6') and a maximum height of eight feet (8'). Wrought iron fences are required to have a minimum height of four feet (4') and a maximum height of seven feet (7').
3. Approved Fence Placement.
 - a. Wood privacy fences can be placed on the property line. It is acceptable to remove any underbrush and trees under one foot (1'). Trees over one foot (1') in height must have approval by the ACC prior to removal; however, if the tree is also located on the adjoining neighbor's property, approval from both the ACC and neighboring owner are required prior to removal of the tree.
 - b. Wrought iron fences can be placed on the property.
 - c. NO vegetation is to be removed from the vegetation preserve.
4. Fences Bordering FM 2854.
 - a. Chasewood Property Owners Association will maintain the brick columns on community fencing that borders FM 2854. The maintenance and repair of these brick columns is to be made by the Association only if such wear and tear or damage is caused by normal conditions, and not the result of any unnatural damages or negligent acts.
 - b. All owners with Property bordering on FM 2854 shall be responsible for the wooden portion of the community fencing bordering on FM 2854. As long as the community fencing along FM 2854 is maintained and kept in good repair and remain upright, the Association will be responsible for mowing and landscaping the property between the fence line and FM 2854. Should any portion of the community fence NOT be maintained and kept in good repair and remain upright, the Association will cease to mow and landscape that portion of the property located between the fence line and FM 2854.

These guidelines are effective upon recordation in the Public Records of Montgomery County, Texas, and supersede any guidelines which may have previously been in effect. Except as affected by the TEXAS PROPERTY CODE and/or by these guidelines, all other provisions contained in the Declarations or any other dedicatory instruments of the Association shall remain in full force and effect.

This is to certify that the foregoing Architectural Control Guidelines and Regulations was adopted by the Board of Directors by unanimous consent, effective as of August 17, 2021, until such date as it may be modified, rescinded or revoked.

The Board of Directors hereby approves and authorizes the above Policy.

Signed this 17 day of August, 2021.
